ABOUT ME

I'm a product designer from New Jersey. I thrive on delivering experiences that help improve people's lives for the better.

PROFESSIONAL EXPERIENCE

Senior Product Designer - TrustLayer

Tampa, Florida (Fully-Remote)
December 2021 - May 2022

Lead the creation of a user research process and designed new features for fill & sign and bulk send workflow for a risk management SaaS platform.

Product Designer - Synechron

New York, New York
July 2019- December 2021

Lead UX consultant for Transamerica and UBS. Lead the creation of a design system for Synechron's Accelerator projects.

UX Designer - Penguin Random House

New York, New York
Jan 2017- December 2019

UX Designer on internal enterprise web platforms for Penguin Random House's Sales, Marketing and Publishing Operations departments.

FREELANCE EXPERIENCE

UI Designer - Rokit Group

New York, New York
April 2016- Sept 2017

Lead the design or a teleconferencing mobile application in the healthcare space, Job recruiting and hiring desktop application, and a scheduling software for nurses.
